

Caritas (Malta) Epilepsy Association – Ten Years of Work.

The Social Impact of Epilepsy. : Women and Epilepsy

**Report on Workshop B .**

**Facilitator: Dr Janet Mifsud**

**Report by: Connie Baker.**

**What are the problems?**

- Young people – Paceville?
- Social isolation
- Side effects of medicines
- Small island mentality

**Already being done**

First aid credits at university

**Recommendations**

- put the talks of the conference on the caritas website
- counselling – midwives – cana
- walks to gain funds
- epilepsy day – fund raising e.g. selling plants
- posters in schools, public places, youth groups
- local councils, factories
- work with health and safety authority
- SOS bracelets
- Train epilepsy nurses – day ward COP
